  - Handout on how parent substance use affects children
- Jocelyn Blazek – DECAT/CPPC
  - Bag pack project
    - About 900 bags being handed out
- Kris Richey – Crossroads IHH
  - Waiting to see what is happening with Medicaid, very busy
- Angie Larson - MATURA Action Corporation
  - Many applications for Head Start
    - 3 year old # low
    - 4 year old # high
  - MATURA open house today
- Chris Villalobos – United Healthcare
  - Getting out to organizations who serve MCO population
  - Offer phones with data plans to members
  - Transportation services and mileage reimbursement available
    - 2 day notice needed for transportation
  - General rewards program
  - Weight watchers vouchers
  - Baby blocks for expecting mothers
  - Community baby showers
  - Looking to collaborate with events
- Brandy Powers – Tobacco Prevention
  - Information has been given out to local businesses on Tobacco-free/Nicotine-free policy adoption and E-cigarettes in businesses.
  - Convenience Stores are frequented by youth ages 13 and over at least once per week. More often during the summer month. This is why limiting point-of-sale advertising is important to monitor.

**Next Meeting: August 10, 2017 11am @ Adams County ISU Ext Office**
