*Collective Vision: To increase the preventive outreach, education efforts and resources that support the resiliency of community members who experience mental health and substance use issues.*

**Resiliency Grant Goals Made Possible by Mission and Ministry Fund**

*(1) Expand family support services for families with children under the age of 6, (2) implement sexual abuse prevention services for youth ages 4-9 and their parents, (3) provide trauma informed training for early childhood providers, teachers, foster families, health care workers and peace officers, (4) Promote positive mental health through the use of technology for at risk high school, middle school and elementary students.*
