Resiliency Grant Goals Made Possible by Mission and Ministry Fund Implementation Grant

(1) Expand family support services for families with children under the age of 6, (2) implement sexual abuse prevention services for youth ages 4-9 and their parents, (3) provide trauma informed training for early childhood providers, teachers, foster families, health care workers and peace officers, (4) Promote positive mental health through the use of technology for at risk high school, middle school and elementary students.

Violence Prevention Grant Goals Made Possible by Mission and Ministry Fund Planning Grant

(1)Expand mental health consultation and training to the helping profession, (2) implement youth violence prevention programming in schools (3) plan for future violence prevention programming.
